MIDC Road, Bhosari, Pune – 26
India

Attention Mr. D.K. Shetty, Managing Director

Extended qualification of Excel Micron / Windsor Refractories Pvt. Ltd.

Dear Sir,

Topsoe is pleased to extend the qualification of **Excel Micron/Windsor Refractories Pvt. Ltd..**

We are pleased to inform you that **Excel Micron/Windsor Refractories Pvt. Ltd.** are still admitted as an approved vendor to Topsoe for supply of

- Alumina oxide (99% alumina) balls
- Ceramic (Al_2O_3 18->38%, SiO_2 54->80%) balls

The sale of the product may be through the following companies, acting as subsidiaries or representatives, however the actual product must be produced at Shed No B-5/1 & B-4/, Plot no E-18 & E-18-11/(A), MIDC Road, Bhosari, Pune – 26.

The allowable representatives are as follows:

- Windsor Refractories Pvt. Ltd
- Refractory Shapes Pvt. Ltd

Excel Micron/Windsor Refractories Pvt. Ltd. is qualified ON THE CONDITION that all analysis under QC shall be performed, as mentioned in the relevant quality assurance plan and test certificates dated 02.02.2018.

Topsoe looks forward to our collaboration on the coming projects and to follow the introduction of suggested improvements in manufacturing.

Re-evaluation of your presence on the above mentioned list will take place within the next 2 years. However, we reserve the right to remove you from the list upon failure to perform.

Sincerely,

Rashmi
